INTERNATIONAL FEDERATION OF UNIVERSITY WOMEN

The International Federation of University Women (IFUW) is an international, non-profit organization of women graduates. We were founded in 1919 by women who believed in the importance of working together for peace, international understanding and friendship. Our members are women of all ages, cultures, disciplines and professions. The fellowships and grants offered by IFUW and its national affiliates support the research, study and training needed to open doors to quality higher and continuing education for women and girls throughout the world.
